# *We are here to help...*

The passing of a loved one is a very distressing time for friends and relatives.

A post funeral gathering provides the opportunity for family and friends to remember and celebrate the life of a loved one.

For everyone involved it can be a very important experience and bring much needed comfort and support.

It is sometimes difficult to face organising the post-funeral arrangements and this can add to the stress and worry.

Our experienced staff are on hand to help and can attend to your requirements with the sensitivity and professionalism you would expect.

We offer a choice of flexible menu & refreshment packages, from a buffet to a two course meal and our suites can accommodate up to 600 guests.

Private bars or specific drinks can all be arranged and our hotel has partnerships with a number of local suppliers who will also be on hand to help make the day one to remember.

Please contact our event coordinator to discuss your requirements and to arrange a time to view our range of function suites.
